## Northern Highland American Legion State Forest

## Welcome!

**Northern Highland American Legion State Forest** offers two group campgrounds with space for up to 80 campers at each location. These campgrounds are located at Jag Lake and North Muskellunge Lake. Group campgrounds provide a unique camping opportunity for large groups such as large family gatherings, Boy and Girl Scouts, and church groups — but are not limited to these. These solitary areas allow campers to have a rustic camping experience while not affecting other campers. These sites may be occupied up to seven nights per visit, and only seven nights within any 14-day period.

### State Parks and Forest Admission Sticker
